FOOD PANTRY

Dear Neighbor,

Can you help us become **more than a pantry?**

For the last 5 years we have operated our services out of the former Coralville Post Office, graciously provided by the City of Coralville at no cost. We knew from the get-go that this would not suffice as a permanent home due to spatial constraints and the City's intent to eventually demolish and redevelop the site. The building is in disrepair with a failing roof, damaged siding, aging HVAC systems, and inadequate capacity to accommodate our growing food storage and programming needs. It is clearer than ever we need a larger and updated facility in order to remain a vital safety net for our neighbors.

The future home of our dreams is within reach! Our longtime partners at Coralville United Methodist Church have generously gifted us land on which we plan to **build a new 5,000 sq. ft. facility**. Located on the empty lot attached to the church's existing site, this brand new space will give us every edge we need to become **more than a pantry**. The site is beyond ideal—within walking distance to the Coralville Rec Center and Northwest Junior High, equipped with ample parking, and located directly on a bus route.

Our space will be equipped with substantial food storage space as well as a welcoming waiting area, an easy to navigate shopping room, roomy office/meeting space, and sustainability features to reduce our carbon footprint. Outdoor features include an educational garden space, bike locks & repair station, a patio with tables and chairs, and outdoor cooking space for community grill-outs + pizza nights. Access to the church kitchen and community space next door will enable innovative programming including community meals, cooking classes, advocacy group meetings, ESL classes, entrepreneurial classes, mobile health clinics, and more.

You can help kickstart this exciting new chapter by **making a meaningful contribution towards our "More Than A Pantry" Building Campaign today**. Thank you for your support!

Sincerely,

John Boller
Executive Director

Help us
build
MORE
THAN A
PANTRY

MORE THAN A PANTRY

Imagine a community where...

- All of our neighbors have access to the food they need every single day.
- People from all walks of life come together to share with and learn from one another.
- We unite to dismantle the systemic inequalities that lead to hunger.

Our Future Home

As we enter this exciting new chapter, we turn to our community partners to help us grow and strengthen our vital services. With you on our side, we can raise the **\$1 million needed** to build a direly needed space of our own, designed by Neumann Monson Architects. Your gift will help us build **more than a pantry**, not just for now, but for the future. Please reference the giving levels listed below to learn how we will recognize your generosity. **All pledges can be fulfilled over a period of 4 years (final gift should be submitted by December 31, 2024).**
